UNIVERSITY OF DUNDEE

ACCESS TO THESIS PRESENTED FOR HIGHER DEGREES

1. AUTHOR'S DECLARATION

The University Library receives many requests from other libraries to supply photocopies or microfilms of theses of this University. Such requests are normally complied with, provided that the consent of the author can be obtained. Occasionally, however, it is difficult or even impossible to contact an author, especially in the case of graduates from overseas.

It would greatly assist the Library if authors of theses would complete and return the certificate below, indicating whether or not they are prepared to sanction the reproduction of their theses, subject to appropriate safeguards. Further reference to an author in this connection would then be unnecessary.

It is emphasised that, if this permission is given, it in no way affects an author's interests in his or her work under copyright law.
